

## Reduce the Digital divide

YLSBC is delivering online ready desktops to students from low income families and First Nations all across BC for them to connect to the digital world and learn.

**Does your company have old Laptops or Desktops you could make available for the above cause?**

**You can donate those to**

*BC Tech will sanitize your computer of any sensitive data, and refurbish it to certain specification before donating for the above cause to YLSBC ([www.ylsbc.org](http://www.ylsbc.org))*

*For more details visit: <https://www.reusetechbc.ca/donate.html>*

*Or email [ravisafaya@ylsbc.org](mailto:ravisafaya@ylsbc.org), Cell 778 772 3814 for further discussion.*

### Minimum Requirements

Monitors: 17 inch or larger LCD

Desktop/Laptop: i-series or AMD based processor

### Protect our environment

Reusing doubles the life of tech and protects the environment from e-waste.

Donations may be eligible for tax deductible receipt: Conditions apply
