

Social Shifters

[Social Shifters](#), is a non-profit that provides inspiring learning experiences for young leaders, innovators and entrepreneurs.

They have reached out to let us know about our free **Global Innovation Challenge** for **young and aspiring social entrepreneurs aged 18-30 years** committed to taking on big social and environmental issues.

[Registration](#) for the Challenge is open, and they would love for our network to be a part of it. Everyone that enters gets access to a **virtual start-up program, mentors and exclusive events** and a chance to win prizes of up to **\$10,000 in funding** for the best ideas.

They've created this [Communications Pack](#) with lots of shareable assets. For those interested please contact Ravi Safaya at ravisafaya@ylsbc.org.

Thank you!
